Learn TFM Method

Mastering Your Inner Universe

From "Tapped In: A Galactic Guide to Your Inner Universe" by Michael Robinson (JaMichael), discover how to optimize your focus, clarity, and personal performance using HOA/HOS Hat Inserts and the proprietary 4-Step TFM Method.

Consciousness Integration

Combine spiritual principles from "Tapped In" with wearable QR technology for enhanced awareness and intention setting.

QR Code Innovation

Patented 3x8 inch removable hat inserts with dynamic QR codes for interactive digital engagement and analytics.

Social Impact

Empower 501(c)(3) organizations with cost-effective marketing solutions and detailed analytics for maximum impact.

The 4-Step TFM Method

Tree Frequency Manifestation Method - A proprietary process for energetic management and personal optimization

1 Tap-In-Button (TIB) Activation

Learn the practical technique for instant re-centering and intention setting, helping you connect with your 'Ja' (soul spark) based on methods from 'Tapped In'.

2 Crown Chakra Connection

Deepen understanding and activation of the crown chakra (the 'divine antenna'), aligning your energy for clarity and connection through hat insert technology.

3 The Brim - Deflecting & Directing

Utilize the energetic 'brim' aspect of the H.O.S./H.O.A. hat inserts to shield your immediate energy field and protect your inner vision.

4 The Art of Transmutation

Transform negative experiences and energies into positive outcomes, drawing from ancestral wisdom and the methods described in 'Tapped In'.

Course Structure

Week 1: Foundation & Mindscape

Introduction to Inner Universe concepts and Mindscape cultivation

Week 2: TFM Steps 1 & 2

TIB Activation and Crown Chakra Connection mastery

Week 3: TFM Steps 3 & 4

Energy direction and Transmutation techniques

Week 4: Integration

Personal practice development and ongoing optimization

\$200 Total Course

4 weeks x \$50/hour x 1 hour/week

Patent Innovation

Innovative Hat Insert Advertising System - Patent Pending

Key Patent Features

- Precise Dimensions**
3 inches x 8 inches - optimized for universal hat compatibility and maximum printable area
- Eco-Friendly Materials**
Recyclable cardboard construction aligning with sustainable marketing practices
- Integrated QR Technology**
Dynamic QR codes linked to digital content with granular analytics tracking
- Dual-Sided Design**
Two distinct printable surfaces for enhanced advertising opportunities
- No Additional Hardware**
Easy insertion without adhesives, clips, or fasteners

Patent Benefits

90%

Cost reduction vs traditional advertising

Universal

Compatibility with standard adult hats

100%

Recyclable materials

Real-time

Analytics and tracking

501(c)(3) Affiliate Program

Empower nonprofit organizations with cost-effective marketing solutions and detailed impact measurement

Program Benefits

- Granular Analytics**
Track total scans, unique users, geographic data, conversion rates, and device types for each QR code
- Cost Efficiency**
Dynamic QR codes eliminate need for reprinting materials, reducing campaign costs by up to 80%
- Precise Attribution**
Track which specific hat, insert, or QR code drove donations, volunteers, or other actions
- Enhanced Outreach**
Mobile, wearable advertising increases awareness organically at events and in communities

4-Step Engagement Process

Step 1: Attract

Awareness & Frequency Alignment through wearable QR technology

Step 2: Inform

Consideration & Mindscape Cultivation with valuable content

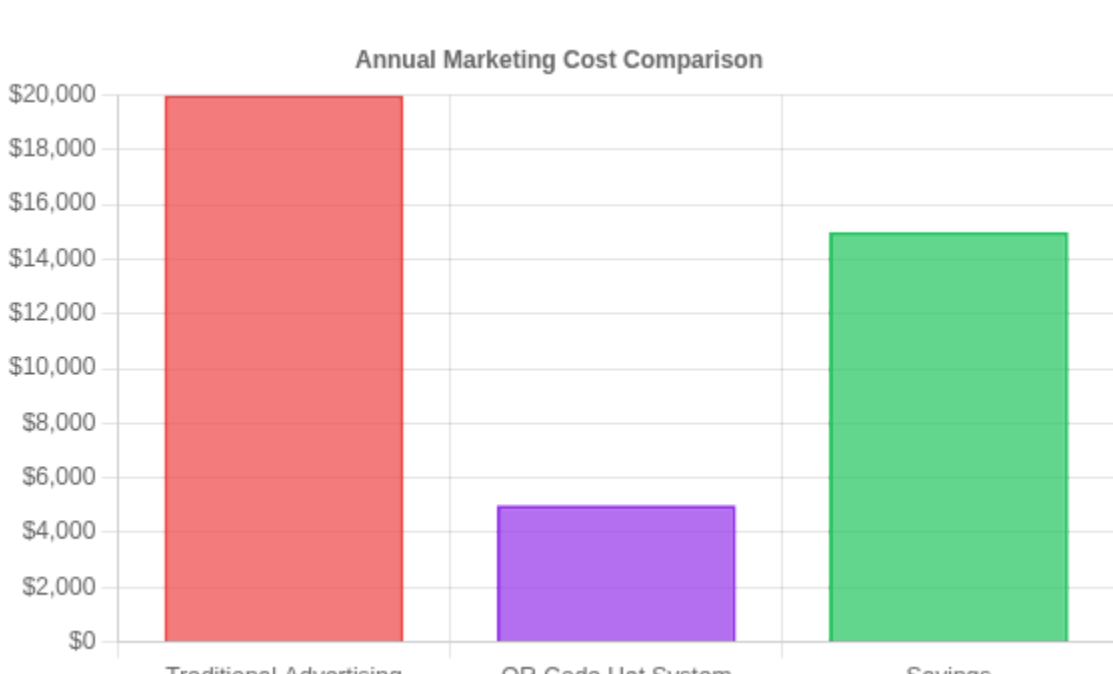

Step 3: Convert

Action & Intentional Alignment driving specific outcomes

Step 4: Engage

Loyalty, Advocacy & Collective Frequency building

Cost Savings Analysis

\$15,000

Annual savings vs traditional advertising

250%

ROI improvement with QR tracking

85%

Reduction in production costs

Ready to Transform Your Organization?

Join the revolution of conscious marketing and spiritual technology. Integrate the TFM Method with our patented QR code hat system for unprecedented impact and cost savings.
